

## **COVID-19 PROCEDURES AND RESTRICTIONS**

- **Social distancing requirements dictate that the number of parishioners attending the service be limited. For this reason, we ask that you kindly make a reservation in advance and indicate how many people will be in your group.**
- **In order to avoid personal contacts there will not be greeters at the door or ushers in the Sanctuary.**
- **Everyone must wear a face mask at all times**
- **Social distancing requirements are 15 feet from the altar and 10 feet from individuals or family groups.**
- **Hugging and handshaking should be avoided.**
- **Bring your own prayer book. Prayer books will not be available at the pews.**
- **Bill Elliott will provide music, but there will be no singing.**
- **Holy Communion will consist of the host only. Wine will not be offered.**
- **The offertory plate will not be passed. A receptacle for your pledge or donation will be located by the Sanctuary door.**
- **The service will last approximately 45 minutes.**
- **There will not be a coffee hour after the service.**

**We know these rules are inconvenient and troublesome. However the pandemic we are now facing makes it necessary that we do everything we can to keep everyone safe. If you have tested positive for the COVID-19 and have not completed the quarantine period, we ask that you not attend the service. You can participate in Fr. Ryan's online service.**
